THE ROCK TRAVERTINO

Feel the finest expressions of nature

Outdoor

900 x 900 x 20mm R11

Indoor

600 x 1200 x 6.5mm

1200 x 2780 x 6.5mm

THE ROCK PIASEN

The name of this sedimentary rock native to the Friuli region in Italy, literally means the stone that gives pleasure. And it does just that in this variant that restyles its rustic DNA into refined elegance. Its warm grey/beige enlivened by slender white veining elegance and intense colour, with highlights tending toward earthy copper tones.

A synthesis of a natural look and refined design style.

Outdoor

900 x 900 x 20mm R11

Indoor

600 x 1200 x 6.5mm

1200 x 2600 x 6.5mm

THE ROCK MCAUB

Feel the finest expressions of nature

This queen of quartzites, particularly well known for its unique combination of the compactness typical of metamorphic rocks and a look that is similar to the world of marble. Macaub catches the eye for its complex weave of silver-grey and blue-grey bands, white and gold veining of very different intensities and sizes, and a background of variegated beige tones.

Outdoor

900 x 900 x 20mm R11

Indoor

600 x 1200mm

1200 x 2600 x 6.5mm

STONECRETE

Two in one

The resulting style is both gentle and strong, which makes it ideal for anyone looking for a subtle stone solution or an original concrete effect.

Stoncrete is deliberately positioned in a multiple taste area that includes both stone and concrete, to meet different style requirements. In Cool Grey, Dark Grey & Silver.

This makes it a solution that can adapt to a wide range of residential and non-residential contexts as well as ensuring continuity between indoors and outdoors.

Outdoor

600 x 600 x 20mm R11

900 x 900 x 10mm R11

Indoor

900 x 900mm R10

The surfaces look rough and stony with lines and furrows that seem marked by the elements and the passing of time, but their heart is soft.

Available in White and Beige plus Indoor : Greige & Nero

Outdoor

600 x 1200 x 10mm R11

Indoor

600 x 1200mm

LOMBARDA GREY

Functional and attractive, Nature's way

Lombarda expands the potential of contemporary architecture inspired by Ceppo di Gré, the stone used for Milan's most iconic 20C buildings. Striking and charismatic, Lombarda offers a style rich in meaning and prestige for both exteriors & interiors. Inspired by new architectural approaches where elegance and practicality meet.

Outdoor

600 x 600 x 20mm R11

Indoor

450 x 900mm and 900 x 900mm R10

Mosaic 300x300mm

MEMENTO

A stone-effect surface with heritage appeal. Inspired by the aesthetics of two types of European stone, the Memento collection comes in a palette of two colours for outdoor and indoor flow. The unique P.TECH technology improves slip resistance while maintaining a pleasant tactile sensation.

With rustic-chic appeal, the collection explores the concept of time-worn surfaces, an original design choice that brings a touch of distinction to any project.

20mm R11..the benefits

High performing good looks

Using any of our 20mm tiles will deliver the ideal combination of superb appearance and outstanding technical performance, in multiple outdoor locations.

Paths, pavements, pool surrounds, and other outdoor designs merge perfectly with the surrounding environment and can blend seamlessly with your interior, by using a number of our tile collections available in both Indoor & Outdoor options.

Easily installed dry on grass, sand and gravel, 20mm porcelain tiles can be glued to concrete screed for vehicle resistant pavings. Also suitable for projects in commercial or public areas with heavy foot traffic.

And perfect for raised floors using the Nurajack system.

In summary, 20mm tiles ensure stylish design options whilst meeting all the technical demands of contemporary outdoor architecture.
